Bring your laptop and take advantage of our wireless internet or enjoy a book while lunching in our café. Don't have time?...Place an order to go - large or small!

- **CATERING**

Food So Prepared - Throughout history, food has inspired art, served as the centerpiece for great events and been celebrated in literature for it's ability to build families, communities and even nations. Chef Butch and his team artistically prepare foods for a variety of events including weddings, intimate dining and corporate functions. Inspired and eventful food for special occasions!
